A NOTE ABOUT THE BEST PROVISIONERS WE WORK WITH

Great pub food starts with great ingredients. That's why we work with Walter Rose & Son, a fifth generation family butcher in Devizes and La Chasse, who have supplied game and venison for more than 30 years; Creedy Carver's free range Devon ducks and Brue Valley's hand churned Somerset butter.

They know their craft, they care about what they do, and quite simply, they supply some of the best produce we've come across.

DID YOU KNOW?

The Bell & Crown has served the village of Zeals since at least 1787, welcoming travellers on historic coaching routes to the South West. The name Zeals comes from the Old English sealh, meaning willow tree, a sign of the area's Saxon roots over 1,000 years old.

We are honoured to be the custodians of The Bell today — preserving its heritage and proud to continue its enduring role at the heart of the community.

Pubs today are closing every day and the reason they shouldn't is because they are as much a celebration of important local history as they are places for respite, connection, and purpose.

You being here makes pub closures less likely. So thank you.
